HISTORICAL SKETCH

THE BEGINNING :

The Akkineni Nageswara Rao College is the result of munificence and zeal for higher education of the people of Gudivada Taluk and of the neighbouring taluks in Krishna District. Situated in a rich agricultural area midway between Vijayawada and Machilipatnam and connected by road, rail with the leading towns and villages in the district. Gudivada has always been a centre of great cultural and political activity and its citizens have played a prominent part in the life of the nation in general and in particular of Andhra Pradesh. In the education sphere too, a seat of higher learning was felt, and to meet this need a strong Committee of local leaders was formed early in 1950, and an appeal for funds was made by Sri Parvataneni Venkataratnam (President), Sri Uppalapati Veerabhadra Rao (Treasurer), Sri Kaza Venkataramaiah (Secretary), Sri Vemulapalli Ramabrahmam (Joint Secretary), Sarva Sri Vadde Sobhanadri, Lingam Venkata Krishnaiah and Upadrashta Papanna Sastri as members.

INAUGURATION OF COLLEGE

The College Organising Committee approached the authorities of the Andhra University in April, 1950 for permission to organize the institution and have it affiliated to the University. The Inspection Commission appointed by the University visited Gudivada in May 1950 and recommended affiliation. The College was formally inaugurated under the name "The Gudivada College" by Prof. V.S. Krishna, B.A. (Oxon), Ph-D (Vienna), Vice Chancellor of the University, on July 6, 1950 at a public meeting presided by Hon'ble Sri B. Gopala Reddy, Finance Minister, Government of Madras. The Secretary of the Organising Committee, Sri Kaza Venkataramaiah became the Correspondent of the College. Sri A.F. Thyagaraju was appointed as the first principal of the College.

ACADEMIC COURSES AND INFRASTRUCTURE :

In July 1951, the Biology, Physics and Chemistry group was opened and 94 students were admitted. In July 1952 the college was raised to First Grade and B.A. and B.Com. classes were opened. The year 1953 saw further progress. B.Sc. class with Zoology (Main) and Chemistry and Botany Subsidiaries was opened. Civics and Indian Administration were offered as optional subjects in Intermediate Course, and in Arts groups classes were opened in Sanskrit for Intermediate and in Hindi for B.A. In July 1957, the Pre-University course was

started with eight combinations of optional subjects. In July 1958 the Three Year Degree Courses were started in the College, thus making our institution conform to the national pattern of the college at education.

A highlight of 1958 was formation of the college play ground at the new site which is the beginning of a new era in the history of the college. It is in the fitness of things to mention here that as much as fifteen acres of land was donated by the philanthropic villagers of Pedaparupudi and Bhushanagulla.

Additional land was purchased with donations of Rupees 60,000/- and 40,000/- by Pedaparupudi and Bhushanagulla farmers respectively.

As if to join the spree of donations, there were a few donations by understanding individuals such as 3 acres of land by Smt. Mandava Rama Tulasamma, 1.12 acres by Sri Kolli Bhadraiah and 0.5 acres by Sri Vellanki Akkaiah Chowdary.

In February 1959, the next step forward was taken. The foundation stone for the new building was laid by Dr. V.S. Krishna, the then Vice-Chancellor. Work of the Construction began at once and the eastern wing of the ground floor came into being, a bare necessity for the Office of Principal, Laboratories and Library. Side by side with this, a spacious auditorium was also constructed named after Sri Yerneni Challamaiah, who donated about Rs. 60,000/-.

Since Sri Akkineni Nageswara Rao gave a donation of one Lakh rupees, the College was named after him from April 1959. Dr. Y.Venkateswara Rao, M.Sc., Ph.D., who succeeded Sri A.F. Thyagaraju could secure the active and willing co-operation of three popular doctors, Dr. A.V. Raghavaiah, Dr. T.L. Perumallu and Dr. P.L. Narasimha Rao for the completion of the remaining part of the building. Their hectic activity culminated in the collection of fairly handsome donations (about one lakh seventy five thousand rupees) from philanthropic public of Gudivada and neighbouring villages. To this was added, as promised, a sum of about rupees one lakh by Sri Akkineni Nageswara Rao and together with Govt. grants, the amount was utilised for the construction of the Western Wing of the Ground Floor and the First Floor of both eastern and western side of the main building.Teaching work had commenced in cement concrete rooms which is an achievement of our dream.

The next phase was our library. This was constructed on modern lines with maximum facilities for each category of the college population., students and staff. We are proud of our Library.

In accordance with a new pattern of education, the college started the new two year intermediate course from the academic year 1969-70.

A new pattern of degree course (called New Scheme) with Main and Ancillaries was started with effect from the academic year 1971-72 with Telugu as the medium of instruction.

Another notable achievement is the starting of M.Com. Course in 1974 - 75 thereby becoming one of the handful of affiliated colleges in Andhra to have the privilege of offering instruction at the post graduate level.

The constrction work went on uninterrupted and by 1975 gymnasium also was built, and has since been used by students and staff with great enthusiasm. Consequent of donation of twenty five thousand rupees, the gymnasium was named after Sri Kolli Lingaiah.

The notable structure that was constructed in 1976 is Yerneni Govindaiah Junior College Building funded (Rupees one lakh) by his son Sri Rama Chandra Rao for this purpose. It was completed by 1984 and has been used since 1985. The foundation stone for the post graduate wing was laid in 1985 and the construction of the building was completed in 1992.

The postgraduate department was shifted to the newly constructed wing during 1992-93. Foundation stone was laid for Post-graduate block on 22-8-94 by the then chairman of University Grants Commission, Prof. G. Rami Reddy. The construction of men's hostel was completed in 1996 with the assistance of UGC as a part of VIII Plan Developmental Projects.

The history of the College should place on record, the demise of Sri Parvathaneni Venkataratnam, Founder President. Sri Kaza Venkataramaiah, Founder Secretary and Sri Yerneni Venkateswara Rao, Vice President of the committee during 1975 and 1976 who were responsible for building up the college as we are today.

Sri Upplapati Veerabhadra Rao, the founder member of the College Management Committee, who served the college for over half century, passed away on 22nd August 2005 at the age of 87. He served the college in many capacities-Treasurer, Secretary & Correspondent and President. The College places on record his yeoman service.

The College celebrated its silver jubilee in 1975-76, Sri J. Vengala Rao, the then Chief Minister inaugurated the celebrations, which was attended by several distinguished people.

Keeping the evergrowing importance of Computer Sciences and in response to the public demand for these subjects the college started three new restructured B.Sc., Coures, with Computer Science, Mathematics, Physics and Statistics Combinations.

Expansion of academic facilities was the order of the day and in keeping with this trend the College got permisson and started the M.B.A. Course in the academic year 1993-94,which was inaugurated by Sri Y. C. Simhadri, the then Vice-Chancellor, NagarjunaUniversity on 7-2-1994. The M.Sc., in Mathematics was started in the academic year 1994 - 95.

The M.C.A., M.Sc. (Computer Science), B.C.A. and a new stream in B.Sc., Course with Mathematics, Statistics and Computers were started during the academic year 1998 - 99.

B.Ed Course was started during the academic year 1999-2000 under the aegis of ANR College of Education and D.Ed.course under ANR D.Ed.College in 2007.

A Post-Graduate Course, M.Sc., (IS) was started from the academic year 2001-2002, M.Sc. (Chemistry) from the Academic Year 2002-2003, a new Post-Graduate Course in M.Sc., (Physics) and a new Degree Course in B.Sc., (M.P.C.) from the Academic year 2003-04. Two more P.G. Courses i.e., M.Sc., (Botany) and M.Sc., (Micro-Biology) were commenced from the Academic year 2005-2006. The annual intake of MCA and MBA is extended from 60 to 120 from the Academic year 2007-08 and 2008-09 respectively. B.Com(Re-structured Course) commenced from Academic Year 2012-13.

Sri K.R.K. Prasad, Former Principal, V.S.M. College, Ramachandrapuram was appointed as Advisor, Academic & Administrative Affairs of the College with effect from 1-2-1998.

Prof. D.V. Suresh Kumar, Former President, faculty of Management Sciences & Commerce and Member of Syndicate, University of Madras was appointed as

Director for P.G. & U.G. Un-aided courses with effect from 1-7-1999 and Prof. V. Narasimha Rao, working as Head of the MBA Department of this college since 1994 took charge as Director on 09-08-2006.

Sri M. Rama Mohana Rao was appointed as principal of K.G.P.R.A.N.R. College of Education with effect from 28-1-2000 and succeeded by Sri C.V. Chinulu who took charge as Principal w. e. f. 7-12-2001. Smt. Aruna Kumari took charge as principal w.e.f. 29-03-2008 and succeeded by Dr. J. Shakeela w.e.f.10-10-2012. Dr. S. Sankar took charge as principal of the College w. e. f. 31-12-2012. Sri K.P. Appaiah Chowdary appointed as Co-ordinator for KGPR-ANR College of Education and ANR D.Ed. Colleges w.e.f. 12-09-2012.

In the academic year 1998-99, a spacious laboratory with 75 Pentium computers was commissioned for M.C.A. During 1999-2000 another lab was opened with 45 latest Computers for B.Sc., (Maths, Statistics / Physics and Computer Sciences). This laboratory was named after Dr. Yarlagadda Lakhsmi Prasad Computer Centre since it was financed by his M.P. "LADS" (Local Area Development Scheme) Funds. Computer with Internet facility and printer has also provided to the staff rooms of all individual departments of the college.

A hostel for women in the name of "Akkineni Annapoornamma Women's Hostel" was also constructed during 2003-04.

A fully furnised Internet facility was established for the benefit of students as well as staff members to equip themselves with the latest knowledge and developments taking throught the world.

A 400 M running track(width 9.76m) was laid during 2005-06 at a cost of Rs. 3 Lakhs, which was sanctioned by U.G.C. Under X Plan. The Ministry of Youth Affairs and sports granted Rs. 3 Lakhs and it was utilised by the college to equip the gymnasium with Multi-Gym with 12 stations, Joggers (manual and electronic), Exercise cycles, Electronic Treadmill, Twisters, Vibrators and Weight Lifting set.

Golden Jubilee Celebrations

The completion of 50 years called for Golden Jubilee Celebrations in which all those connected with the college participated.

The committee members, the faculty, the office staff, students and alumni as well as the public took part enthusiastically during the three hectic days of celebrations on 21, 22 and 23 December 2000.

The then Chief Minister Sri Nara Chandra Babu Naidu inaugurated the celebrations. Many other V.I.P's including Sri M. Venkaiah Naidu, Hon'ble Minister for Rural Development and Her Excellency Smt. V.S. Ramadevi, Governor of Karnataka were kind enough to grace the occasion and offer their good wishes.

The festivities of the Jubilee were crowned by the exciting announcement of handsome donations, Rs. 10 lakhs by the presstycoon Sri Ramoji Rao, and old student of this college, in honour of his parents Cherukuri Venkata Subbaiah and Venkata Subbamma, Rs. 15 Lakhs by Dr. Y. Academic Rules and Regulations

1. Academic Plan :

These rules and regulations are applicable to the students from the Academic Year 2023-2024.

1.1 The college follows the semester system with partial internal and partial external evaluation and choice based credit system for the under graduate and post graduateprogrammes.

1.2 The academic year is divided into two semesters, each semester shall nor mally consist of minimum 90 instructional days. There shall be a minimum of 30 hours and maximum of 36 hours of teaching per week excluding the assessment hours.

1.3 The instructional methods include conventional lectures, IT based sessions, class room interactions, guest lectures, seminars, symposia, field study, etc. The syllabi and the model question papers will be provided by the respective department board of studies.

1.4 Board of Studies

i. The Board of Studies shall prepare the Syllabi, the scheme of instruction and the scheme of evaluation and recommend them to the academic coun cil for consideration and approval.

ii. The Board of Studies may recommend changes in the subjects of study and / or alter the syllabi prescribed for a course for consideration and ap proval of the academic council.

iii. The Board of Studies shall prepare panels of paper setters / Examiners paper-wise and such panels are to be submitted to the chairperson of the academic council.

1.5 Choice Based Credit System (CBCS) offers wide ranging choice for students to opt for Programmes based on their aptitude and their career goals.

CBCS works on the fundamental premise that students are mature individuals, capable of making their own decisions. CBCS enables a student to obtain a degree by accumulating required number of credits prescribed for that degree. The number of credits earned by the student reflects the knowledge or skills acquired by him or her. Each course is assigned a fixed number of credits based on the contents to be learned & the expected effort of the student. The grade points earned for each course reflects the student's proficiency in that course. Salient features of CBCS include

a) Enriching learning environment

b) Learn at your own pace

c) Continuous learning and student centric concurrent evaluation

d) Active student-teacher participation

e) Industry institute collaboration

f) Interdisciplinary curriculum

g) Employability enhancement

Calculation of SGPA and CGPA

The Semester Grade Point Average (SGPA) = $\frac{\sum(C \times GP)}{\sum C}$

The Cumulative Grade Point Average (CGPA) = $\frac{\sum(C \times GP)}{\sum C}$

Where, C = Credits of the Subject, GP = Grade Points of the Subject

SGPA is calculated considering only the subjects of that semester.

CGPA is calculated considering all the subjects

i. A student obtaining Grade 'F' or Grade 'AB' in a subject shall be considered failed and will be required to reappear for that subject when it is offered the next supplementary examination.

ii. Both SGPA and CGPA shall be rounded off to 2 decimal points and reported in thetranscripts.

Award of Class :

After a student has satisfied the requirements prescribed for the completion of the program and is eligible for the award of M.Sc. / M.Com. respective degree he / she shall be placed in one of the following four classes. Overall Performance (Conversion of CGPA to grade and classification of final result)

Classification of Final Result	Range of CGPA
First Class with Distinction	CGPA ≥ 7.50
First Class	6.50 ≤ CGPA < 7.50
Second Class	5.50 ≤ CGPA < 6.50

9. Revaluation in Semester-end examinations

The student may appeal to the Principal for revaluation / re-verification his/her answer scripts of theory papers, if the student is not satisfied with the marks awarded. Applications along with the revaluation fee receipt shall be submitted to the Principal within 6 working days from the date of announcement of marks/declaration of results.

Revaluation shall be allowed only in theory courses and shall not be allowed for performance in lab practical courses, seminar course, project work / viva-voce and CIA.

Marks scored earlier or marks scored in revaluation, whichever is higher shall be the final marks and recorded.

Note : 50% of the revaluation fee shall be refunded to the candidate if he/she is benefitted and passed in revaluation to the extent of 10% of maximum marks.

10 Personal Verification of Answer Script :

After revaluation, a student from UG / PG Programme can also apply for personal verification of the answer script, which will be shown to the student in the presence of a subject expert from the college / department. A prescribed fee has to be paid for this purpose.

Note : 50% of the fee shall be refunded to the candidate if he/she is benefitted and passed on personal verification to the extent of 10% of maximum marks.

11.Reappearance for the failed candidates :

i) A candidate, who fails in a paper in semester - end examinations, may appear for the examination in that paper with the subsequent batch of students for both UG and PG.

ii) The special examinations to UG Programmes for failed candidates having maximum of three theory subjects (Except Practical examinations) in a semester will be conducted after declaring the results of the respective semesters. The Re - internal examination will also be conducted for these candidates who have not obtained minimum marks in CIA. The class work goes on as usual during the special examinations.

12. Betterment :

A Candidate who passed in all the papers of a Semester can take better ment Examination in theory Programmes for improving his / her aggregate marks with immediately following batch of students during the term of programme.

13. Change of Syllabus / Course

i. Where a course of programme is dropped from the curriculum and another Course is introduced, only three chances in succession are given.

ii. Where the syllabus in a course is revised, only three chances in succession shall be allowed in that course with pre-revised syllabus. Candidates, who do not pass in these three chances in succession, will have to take the new course with the revised syllabus/course for their subsequent attempts within six years (for three years programme), within five years (for two year programme) from the date of joining. However, the students request may be put forward by the Principal to the academic council to seek permission for extension by one year to the student to complete his / her study for a genuine reason.

14. Repeat the Semester :

Any student of UG / PG programmes who fails to satisfy the rules regarding the attendance and who is detained or discontinued as per the rules prescribed by APSCHE / University.

15. Malpractices :

The suspected cases of malpractices in internal assessment and semes ter-end examination shall be referred to the Malpractices Enquiry Commit tee constituted by the Principal. The committee shall recommend the pun ishments as per the approved scales of punishment.

16. General Matters :

i. The Controller of Examinations shall arrange for the conduct of the Exami nations by the Principal under his general supervision.

ii. The Controller of Examinations shall maintain such stationery and records as are necessary for the conduct of examinations and for recording, storing and retrieving of the marks and other particulars relating to the examinations.

iii. The Controller of Examinations shall make arrangements for the evalua tion of the students' performance and submit the results to the principal, who in turn transmit them to the university for the award of degrees.

iv. The Principal shall deal with any academic problem, which is not covered under these rules and regulations, in consultation with the programmes Com mittee in an appropriate manner, and subsequently such actions shall beplaced before the academic council for ratification. Any emergency modifi cation of regulation, approved by the academic council earlier, shall be re ported to the academic-council for ratification.

v. "Grievance and Redressal Committee"(General) constituted by the Princi pal shall deal with all grievances pertaining to academic/administrative/dis ciplinary matters.

vi. The Principal may advise the Academic Council for the inclusion or dele tion of any rule/rules to these Rules and Regulations.
