### **Plantation Program under KalpTaru Project by Brahma Kumaris**

**KalpTaru** is KalpTaru + Ruh – This term is a confluence of 2 objectives, Taru Means Tree in Hindi and Ruh means the Spiritual Energy/Being/Spirit that functions through the body.

Trees symbolize many spiritual values, for example, the Banyan tree is known to be a symbol of abundance, whereas the Peepal tree is known to be a symbol of respect & sacredness. Similarly, inherent to every soul is a spectrum of virtues, which if brought into practice makes life- blissful, relationships- harmonious, teams- effective, society- just, environment- clean and healthy, and the world- perfect and glorious.

With this project, we aim to combine the sacred process to nurture a tree as well as the soul through values, as the project is to provide sustenance to both the plant and the person who plants. So, the word has been clubbed together to form – **KalpTaru**.

Plantation Program under KalpTaru Project by Brahma Kumaris has done in ANR College on 09 November 2022 and All the NCC Cadets have participated and they are doing Plantation.
